Product Data

Castrol GTX High Mileage 25W-60

HELPS EXTEND ENGINE LIFE FOR YOUR HIGH MILEAGE VEHICLES

Description

Castrol GTX in one of the world's most trusted engine oils.

Castrol GTX High Mileage is specially formulated to protect high-mileage vehicles from issues like smoke and leaks that your engine faces every day.

As engines age, seals can become brittle, allowing oil to leak through your engine, increasing oil consumption.
Help extend the life of your high mileage engine with Castrol GTX High Mileage

Application

Castrol GTX is designed for all car types.

Advantages

Castrol GTX High Mileage;

- Engineered to protect against smoke and leaks
- Helps control oil consumption
- Seal friendly formulation preserves elasticity of engine seals
- Outstanding protection against engine wear
- Premium technology base oils and anti wear additives
